NOVAPEX

You answer the same five messages every day.

“How much for a full set?”

“Is it available this week?”

“Just looking for now.”

“Can you send more info?”

“Any specials?”

THE MISTAKE

The rushed reply ends the chat.

"Is it available this week?"

"Yes we have space."

It answers the question. Then it stops. The buyer has nothing easy to say back.

THE FIX

Every good first reply has three parts.

1. A short answer
2. One useful detail
3. One easy question

The rule: no first reply ends without a question.

NOVAPEX

EXAMPLE

Same question. A reply that keeps it going.

"Is it available this week?"

"Hi Thandi! Yes, I have a 3pm or an 11am slot open this week. A full set takes about 90 minutes. Which time suits you?"

Example only. Name made up.
