PRICE

“Are you doing a Black Friday special?”

Say no and the chat ends. Say yes and you cut your price. There is a third answer.

THE FIX, PART 1

Answer straight. Then say what your price includes.

Hi Lerato, thanks for asking! I’m not cutting prices this year. A full set is R550 and lasts about three weeks.

Example

THE FIX, PART 2

Give one reason to book now that costs you little.

- An add-on, not a price cut
- A pack of sessions
- First pick of December dates
- A smaller starter option

THE FIX, PART 3

End with one easy question.

> ...anyone who books before 30 November gets a free lash bath with it. Would a weekday or a Saturday suit you better?
>
> Example

The question keeps the chat going after the no.
